CULTIVATE TEAM SPIRIT AT PORTES DES IRIS

Get outside the box, get together in a new environment, share an out-of-the-ordinary activity. To reinforce group unity, boost employee motivation, cultivate team spirit and encourage everyone to push their personal limits, Portes des Iris's Team Building activities offer amazingly effective possibilities.

Unite your teams at Portes des Iris with shared interactive activities! Whether you want to motivate team members, reward them, develop their creativity or give them a moment of fun and relaxation together, Portes des Iris is THE place where everything is possible. We offer an idyllic setting, flexible room set-ups, the latest technical equipment, and a team experienced in leading the most dynamic and original activities. At Portes des Iris, everything will come together to guarantee success. Thanks to our experience hosting groups, we have established the "formulas for success" and developed strong partnerships with the most accomplished workshop providers. Here is what we have to offer:

Drumming workshop

Above all, this workshop brings people together. To the rhythm of an African beat, the group unites as each person finds his or her place and pace. Team spirit leads participants to compose – together – a musical piece, a short and compelling work, both collective and individual.

Orienteering, workshop of the senses, construction in teams

Fun activities reveal the strategies each participant puts into play to contribute to the creation of a group project. Through these unexpected activities, the group develops a global vision, integrates concepts of teamwork and cooperation, and above all, shares a sociable moment among colleagues outside of the professional context.

COOKING UP TEAM SPIRIT AT THE PORTES DES IRIS

The cooking workshop is simply a must for Team Building. Cooking is an interactive group activity that carries strong symbolic associations – think of all the moments of pleasure shared around the table. The art of cooking draws on all our senses and requires each person's touch. It is a delicate balance between creativity and precision that releases our imagination. With workshops designed for everyone from beginners to practiced cooks, we can accommodate all approaches and welcome up to 120 people.

Our take on gourmet cuisine will tantalize everyone's taste buds! An unparalleled, unforgettable experience...they will be talking about it for a long time to come.

For their part, Chefs **Gabriel Serero** and **Julien Lerouxel** of the Lausanne-based **Conte-Goûts** (www.conte-gouts.ch) offer two very surprising approaches. The first is an initiation into molecular cuisine. This remarkable gastronomy releases the scented curls of a mysterious smoke right out of a fairy tale. The second in an exclusive visit to the celebrated world of chocolate, as

After a welcome drink and a presentation of the selected thematic activity, participants will put on chef hats and aprons (customizable with your organization's logo) and will cook for an hour and a half guided by esteemed teachers.

Our Chefs step up for the occasion, marrying a unique culinary sensibility with a proven skill in sharing their experience. The dishes prepared are then served to the apprentice chefs, as they remove their aprons and become guests once again.

it is transformed into soft "clay", the raw material for astonishing and delicious gourmet sculptures. Additional services and suggestions are available upon request.
